PROMINEO TECH

Orientation – Week 0 Coding Assignment

Points possible : 70

Category	Criteria	% of Grade
Completeness	All requirements of the assignment are complete.	100

Instructions:

In a few weeks you will start completing coding assignments outlined in a document that looks like this one. For now, you will complete two basic exercises to get warmed up.

Taking good screenshots is required for this course and will help our staff assist you with your code. Here's how to take screenshots:

On Mac, press Command + Shift + 4
On Windows, press Windows key + Shift + S

Coding Steps:

Software development requires working knowledge of the command prompt (on Windows) or terminal app (on Mac) on your computer, a pre-requisite for coding. For this assignment complete the following steps:

1. Open a command prompt or terminal app and type in the commands below in order.

Task	On Windows Type This	On Mac Type This
Print current directory	cd	pwd
List contents of directory	dir	ls
Create a new directory	mkdir Promineo	mkdir Promineo

Change into that directory	cd Promineo	cd Promineo
Print current directory	cd	pwd
Create a new directory	mkdir Week0	mkdir Week0
Change into that directory	cd Week0	cd Week0
Print current directory	cd	pwd
Print hostname	hostname	Hostname

Insert screenshot(s) of the commands you ran here:

```
Select C:\WINDOWS\system32\cmd.exe                                              —   □   ×

2. Go to https://zoom.us/test and join a test meeting. Follow all the prompts to join the meeting and test your audio and video. Once you have joined the test meeting, click on the green shield icon in the top left corner of the screen, choose Statistics on the left-hand column, and take a screenshot of that window and post it below.

Insert a screenshot of the Statistics window here:
